### Answers to frequently asked questions

Q. Do you acknowledge receipt of application forms?

A. If you require an acknowledgement, please provide a valid email address or enclose a stamped self-addressed envelope with your application.

Q. Do you have places where rescue dogs are held for people to come and see and choose?

A. No, dogs are usually re-homed directly from their relinquishing owner, except in emergency cases where the dog might have been fostered for a few days in an Association member's private home.

Q. How long will I have to wait before being offered a dog?

A. We have far more applicants than dogs available, therefore a timescale cannot be given.

Q. How is the waiting list operated?

A. Not on a first-come, first-served basis, but rather by trying to match an available dog with the most suitable home for that particular dog. You will be contacted with details of the dog and if you feel that you could provide a happy home, a member of our Association will contact you to make an appointment for a home visit, prior to you being offered the dog for adoption.

Q. How much will I have to pay?

A. There is no charge for re-homed / rescue dogs, but there is space on both the Adoption and Relinquishment forms for a voluntary donation to our charity, if you wish to make one. In some cases, where we have to provide transport to bring a dog to you, you might be asked for a donation to cover the travelling costs involved.

Q. What happens if things do not work out?

A. We are always there to give help and advice, but in the event of an unhappy situation or a sudden change in circumstances, we will arrange to take the dog back and re-home elsewhere.

FINALLY – should you be lucky enough to acquire a Chihuahua from some other source, PLEASE contact us so that we can take you off our list, thus saving us time and expense – many thanks
